

# THE ROSWELL DAILY RECORD.

VOLUME 1.

ROSWELL, NEW MEXICO. FRIDAY EVENING, SEPTEMBER 4 1903

NUMBER 146

*The Reliance Wins and The Cup Will Remain In America For at Least One More Year.*

## RELIANCE WON.

There Was Wind Enough Yesterday to Race.

## MAKES THREE STRAIGHT.

The American's Cup Will Not Go to England This Trip.

Special to The Record.

Navesink Highlands, N. J., Sept. 3.—Today opened clear and bright, but with very little wind and it did not seem as though the race could be run, but it was decided to try and see if a finish could be made within the time limit.

There was a very small attendance, and there was no difficulty in keeping the course clear. Both boats got off fairly even and in the light wind made but little distance. The wind gradually increased however, and towards the end of the race both boats had a fine ten knot wind. The end of the race was obscured by a heavy fog so that the exact time is not yet known, but the Reliance won by several minutes over Shamrock III, and keeps the American cup at home.

### A Talking Bee.

Among the social events lately none have been pleasanter than the talking bee given by Mrs. Edwin H. Skipwith at her home on North Main street yesterday afternoon. The guest of honor being Mrs. Walter Campbell Allen of Oklahoma City, who is visiting in Roswell for a short time. Those present were:

Mesdames Allen, McGaffey, Wyleys, Patterson, Bowman, Kelahin, Wheeler, Parsons, Beeson, Shaw, Downs, Boughton, Skipwith and Misses Smith of El Paso, Thatcher, Ella Lea, McCain and Cora McCain. Refreshments consisting of banana ice cream and cake were served at five o'clock, after which the guests departed each thinking herself entitled to a medal for the good work done to carry out the idea of the occasion.

### A Good Advertisement.

"The Statement," a paper issued by the Mutual Life Insurance Company of New York City, has put out a New Mexico special edition. The picture of Edgar Calfee, one of the district superintendents, appears on the first page. He is one of the rising insurance men of the Southwest and yesterday wrote \$17,000, one policy being \$10,000. "The Statement" has write-ups for the principal towns of the territory and describes Roswell as "The Rose Garden of the Southwest." It has the following to say of Roswell:

Situated as it is in the commercial and geographical center of the fertile Pecos Valley and Artesian Belt, Roswell has increased in population from 3000 two years ago, to its present population of about, 6000. It is the county seat of Chaves county and is the shipping and marketing point of an immense area of range for both cattle and sheep, in addition to being in the very center of the irrigated belt of New Mexico. Its many large farms and orchards are amply

supplied with water both from the canal and artesian well systems, many of the farmers having private wells whose flow will irrigate many hundred acres.

"Roswell is daily adding to its record as one of the most active and prosperous business centers of the Southwest, and handsome structures in the business part of the city, as well as the residential, are constantly being projected or built.

"The territory established a military school in Roswell in 1898, which is excelled, either in equipment or educational facilities, by few schools anywhere.

"The Company maintains a district office at Roswell, under the superintendancy of Mr. Edgar Calfee, who has for several years been closely identified with the mercantile business of Roswell. Mr. Calfee's district is comprised of four southeastern counties of New Mexico and his recent accomplishments in that field are indeed enviable.

### Grand Success.

The social and concert given last evening at Mrs. W. P. Lewis' home was a decided success.

Mrs. Maude Baker appeared in the opening number of the program in the recitation "Lasea." All present had only words of praise for the beautiful reading.

As to the Roswell Band Quartette, we can only say, that we are at a loss what to say, simply that they performed their part to perfection. It is only to be regretted that three of the quartette will soon depart from the city and we may well say Roswell will lose three accomplished singers who can hardly be replaced.

Mr. Jack Fletcher was in his best in the song, "I handed it over to Riley."

As to the solos, which Mrs. E. A. Lewis was pleased to sing, shows her ability as an accomplished singer.

Following is an item taken from the society notes of a Fort Worth paper which tells of her departure from that city:

"The departure of Mrs. E. A. Lewis for Roswell, N. M., her future home, will bring very deep regret to the general public, as well as to her circle of personal friends. For several years Mrs. Lewis has been identified with the musical interests of St. Patrick's Catholic church, her beautiful voice charming all lovers of "melody divine" in its sympathetic interpretation of the great masters of composition. It will be difficult to replace her services. She was not only an accomplished singer, but was faithful in all things, great and small concerned with the church and parish."

Last—but not least—Mr. Denver Fazell, a young student from Peacock college, San Antonio, Tex., who received the gold medal for elocution at the end of last school term, was pleased to conclude the program with a beautiful recitation and the hearty applause showed that all highly appreciated the reading.

All present were delighted and expressed their wishes that such enjoyable socials or "At Homes" would oftener take place.

Rev. Herbert, O. F. M., and the St. Cecilia Ladies Altar Society hereby express their heartfelt thanks to those who so kindly gave such valuable assistance in the program as well as to those who assisted by their presence in promoting so worthy a cause, for which the ladies are working diligently.
